The Everson family deeply appreciates the love, compassion and support they have received from so many during this tragic time. They want to especially thank Sue Wasiolek, Dean of Students and Todd Adams, Sr. Associate Dean of Students for their tremendous care and support of the family and the students over the last several days. Duke University is sponsoring a reception following the Memorial Service in Scharf Hall, which adjoins the Duke Sports Hall of Fame and the Krzyzewski Center for Athletic Excellence. The Political Science Department donated today's flowers in Drew's memory.

SCRIPTURE READINGS

Isaiah 40:27-31

*Why do you say, O Jacob,
and speak, O Israel,
My way is hidden from the Lord,
and my right is disregarded by my God?
Have you not known? Have you not heard?
The Lord is the everlasting God,
the Creator of the ends of the earth.
He does not faint or grow weary;
his understanding is unsearchable.
He gives power to the faint,
and strengthens the powerless.
Even youths will faint and be weary,
and the young will fall exhausted;
but those who wait for the Lord shall renew their strength,
they shall mount up with wings like eagles,
they shall run and not be weary,
they shall walk and not faint.*

Mark 14:22-25

While they were eating, Jesus took a loaf of bread, and after blessing it he broke it, gave it to them, and said, 'Take; this is my body.' Then he took a cup, and after giving thanks he gave it to them, and all of them drank from it. He said to them, 'This is my blood of the covenant, which is poured out for many. Truly I tell you, I will never again drink of the fruit of the vine until that day when I drink it new in the kingdom of God.'

The Time of your Life Green Day

Another turning point; a fork stuck in the road.
Time grabs you by the wrist; directs you where to go.
So make the best of this test and don't ask why.
It's not a question but a lesson learned in time.
It's something unpredictable but in the end it's right.
I hope you had the time of your life.
So take the photographs and still frames in your mind.
Hang it on a shelf In good health and good time.
Tattoos of memories and dead skin on trial.
For what it's worth, it was worth all the while.
It's something unpredictable but in the end it's right.
I hope you had the time of your life.
It's something unpredictable but in the end it's right.
I hope you had the time of your life.
It's something unpredictable but in the end it's right.
I hope you had the time of your life.
